

Invenio expands Dassault Systèmes product portfolio with SOLIDWORKS

Melbourne, Australia, August 9th, 2018 – Dassault Systèmes Gold Partner, Invenio Pty Ltd has expanded its Dassault Systèmes product portfolio with the addition of SOLIDWORKS. As an authorised reseller of SOLIDWORKS software in Victoria, South Australia, and New Zealand, Invenio is now able to meet the needs of both large corporate and SMEs when it comes to CAD and data management solutions. This puts Invenio in a unique position as the only authorised reseller in the region to offer the full Dassault Systèmes product range with SOLIDWORKS, CATIA, the 3DEXPERIENCE Business Platform and DELMIA.

"Becoming an authorised reseller of SOLIDWORKS is a welcomed development for us as it allows us to reach out to more customers and deliver specialised solutions for each customer's requirements," said Ivan Meisel, Managing Director of Invenio. "In the competitive world of sophisticated design and manufacturing, Dassault Systèmes' digital suites are an essential investment for companies of all sizes."

"We are glad to partner with Invenio to provide their customers with the tools to solve design challenges and turn their ideas into connected products that deliver outstanding value," said Brian Sung, Vice President of Professional Solutions, Asia Pacific South, at Dassault Systèmes. "SOLIDWORKS is an integrated end-to-end solution for the design to manufacturing process, geared to streamline the product development cycle for businesses of any size and facilitate innovation. It is therefore the perfect addition to Invenio's offering for its wide base of customers."

As a certified Gold Partner and the largest Dassault Systèmes Partner in Australia and New Zealand, Invenio will continue to support new and existing customers in the region with its proven customer service. Invenio's industry knowledge and expertise leading its client's digital transformation will be a key to growing Dassault Systèmes' footprint in the region.

Founded in 1990, Invenio is a pioneering business solutions provider with world class expertise in Design and Manufacturing Software, business services, and recruitment. With a long and successful history in supporting a range of industries such as Aerospace, Automotive, Consumer Goods, Consumer Packaged Goods, Defence, Engineering, Life Sciences, Manufacturing, Mining and Oil & Gas, Invenio has a network of highly qualified associates with working experience ranging from start-ups to blue-chip companies and government agencies to meet the ever-changing needs of the market in providing flexible and quick-to-deploy solutions. Invenio's excellence in this field was recently recognised by Dassault Systèmes with a Gold Partner status. This award acknowledges Invenio as the only Dassault Gold Partner in Australia and New Zealand selling the CATIA, ENOVIA, DELMIA and 3DEXPERIENCE software.
