**Get the best out of your SOLIDWORKS with INVENIO - certified SOLIDWORKS reseller  
in Victoria, South Australia and New Zealand.**

**INVENIO** (Invenio Pty Ltd) is a pioneering business solutions provider with **30 years of experience** in delivering an extensive range of services in Product Lifecycle Management, Business Services, and Recruitment that caters to a wide range of industrial sectors in Australia. Part of a global group, INVENIO was the first international company of Invenio Group AG (Germany) and has now grown into a **robust organisation** with a team of over 300 talented staff in Australia, specialising in the fields of design, engineering, manufacturing services, recruitment and software solutions.

In 2010, INVENIO was appointed as a reseller of Dassault Systèmes software in Australia and New Zealand. With the company's dedication to customer satisfaction through sales, deployment, and support, INVENIO is now a **Certified Education Partner**, runs a **DS Certification Center** and is a two-time Dassault Systèmes **Gold Partner** (2018 & 2019).

INVENIO is the only Dassault Gold Partner in Australia and New Zealand to offer Dassault Systèmes CATIA, Enovia and the 3D Experience platform, and is a **certified reseller of SOLIDWORKS** in Victoria, South Australia and New Zealand.

Today, INVENIO is the sole Dassault Systèmes authorised reseller in the region to offer the full Dassault Systèmes product range for Enterprise, Mid-Market and SMEs.

With INVENIO's high level of professional technical support and unparalleled customer care, the company was able to surpass its 2018 expectations in the SOLIDWORKS product line. By fostering confidence and trust from all new customers, INVENIO's **successful SOLIDWORKS launch** in Australia and New Zealand earned the company the **Top New Reseller of the Year** award in Asia Pacific South.

As part of INVENIO's **commitment to customers**, the company goes above and beyond being a professional software solutions provider by leveraging the collective expertise of its industry experts in areas of Product Development, Design for Manufacturing, Data Management and IT infrastructure.

With a decade of delivering the Dassault Systèmes solutions to the ANZ market, including the **3DEXPERIENCE Platform**, INVENIO is fully aligned with Dassault Systèmes long term vision and their idea of **Industry Renaissance**, bringing new ways—both real and using virtual technology—of inventing, learning, producing and trading.

With a proven track record in customer care, outstanding reputation in the Australian engineering and manufacturing sector, and expertise in Dassault Systèmes portfolio, there is no better partner to help you get the best and most out of your SOLIDWORKS than **INVENIO - your trusted SOLIDWORKS reseller**.
